

Household Tasks

There are many domestic related tasks that you may find difficult to manage on your own. ConnectAbility has well established services to assist you to maintain your home environment and independence.

If you are living independently at home or in a shared living arrangement ConnectAbility can assist with a range of domestic and household tasks. We can support you with your vacuuming, washing and ironing, dusting and general cleaning. ConnectAbility has trained staff to assist you to develop a program/system to make these tasks easier for you to manage and remain as independent as possible.

ConnectAbility will work with you to develop your skills in using and maintaining household appliances to ensure you can complete these tasks safely and enjoy a safe home environment.

For more information you can visit the NDIS website [ndis.gov.au](https://www.ndis.gov.au) or contact ConnectAbility to find out how we can help you!
